### Partner Training & Certification Overview

Welcome to the APN Portal! Please take advantage of the tools, content, and training made available exclusively to APN Partners. Make sure you check back often for new updates in the Portal. Don't forget to invite your colleagues to the APN Portal. For more information visit the APN Knowledge Base.

We offer APN Partners a variety of resources to expand your technical skills and to help you demonstrate expertise on AWS to your customers. To learn more, refer to the overview of AWS Training & Certification programs available to APN Partners.

	Description	Benefits	Getting Started
APN Partner Accreditations	AWS Business Professional and AWS Technical Professional courses each include a series of e-learning modules and quizzes. Upon successful completion of a series, you earn your Accreditation.	<ul style="list-style-type: none"><li>Demonstrate your understanding of AWS services and how AWS solutions address customer business requirements.</li><li>Individuals who achieve AWS Business Professional Accreditation will count toward APN's Business Training minimums.</li><li>Individuals who achieve AWS Technical Professional Accreditation will count toward APN's Technical Training minimums.</li></ul>	<a href="#">Enter the AWS Training Portal</a>
AWS Partner Educate Series	AWS Partner Educate is a one-day in person training workshop designed to share techniques and best practices for AWS solutions that solve for customer challenges. We highly recommend that you obtain your AWS Business Professional Accreditation prior to attending.	<ul style="list-style-type: none"><li>Learn to recognize AWS use cases and solutions, and to identify opportunities to successfully use AWS.</li><li>Gain an understanding of AWS pricing examples and effective TCO analysis.</li><li>Find out about the breadth of key APN Technology Partner compatible solutions that operate on AWS.</li></ul>	<a href="#">Enter the AWS Training Portal</a>

## 3: Chọn khóa học dành cho Technical Professional

Training and Certification

Home Calendar My Training Help

Hello **Hung**, welcome to the AWS Training portal

### APN Partner Accreditations

AWS Professional Accreditations demonstrate you can effectively leverage AWS solutions to customers. Complete all modules within each course to earn your Accreditation. Accreditation will apply toward your firm's APN Technical and Non-Technical Training minimums.
